LOCAL MATTERS

Persons leaving the city can have the GAZETTE mailed to any address, postage prepaid, for any length of time, at the rate of fifty cents per month. Subscribers ordering the GAZETTE changed from one postoffice to another should give the old as well as new address.

For this section fair weather, continued high temperature, variable winds.

COUNTY COURT—Judge D. M. Chickadee presiding.—Continuation of yesterday's proceedings. The grand jury returned into court the following indictments: Com. vs. Charles L. Phelan, malicious cutting, a true bill; same vs. Walter Turvey, policy, a true bill; same vs. Wm. Thomas, doorkeeper for a bar, a true bill; same vs. Robert Holzman, selling intoxicating drinks on the Sabbath day, a true bill; Com. vs. Frederick Welker, selling liquors to minors, a true bill; same vs. Frederick Welker, selling liquors by retail without a license, a true bill; whereupon the grand jury was discharged for the term.

The case against Walter Turvey was called for trial and the jury returned a verdict, imposing a fine of \$50 with costs, which were paid and the accused discharged.

George N. Saegmuller, a native of Germany was, by the court, admitted to become a citizen of the United States.

The petition of Gen. L. Bingham and others for a road from Columbia turnpike to the Arlington estate, was referred to viewers to report at next term of court.

An order was issued changing the terms of the county court from the fourth Monday in each month to the first Monday, commencing on the first Monday in September.

A license was granted to Charles Knox, to keep a bar at the old Toll House on Columbia turnpike.

Court adjourned until court in course.

THE PRABODY NORMAL INSTITUTE.—In our report of yesterday we had verbatim substituted the name of Superintendent Carver for that of Supt. Hall, of Fairfax, as one of the lecturers. The latter was, however, so unwell to-day as to be unable to attend. Among the recent arrivals are Supt. Coons, of Culpeper, and Prof. Cunningham, Principal of the State Normal School at Farmville. The double session arrangement has never been quite satisfactory to the teachers, and to-day a vote was taken upon changing the hours. All favored a single session, but 60 voted for one extending from 8:30 to 1:30 against 67 voting for one from 8 to 1. The Institute will therefore in the future meet at half past eight and adjourn at half past one. The exercises to-day were the same as usual except that Miss Chapman began an instruction on physiology. There are now more than two hundred teachers attending, representing about thirty cities and counties.

ACCIDENTS.—A youth named Stearns, while playing as catcher in a game of ball near Bailey's Cross Roads yesterday evening, was struck in the face by a batter, and had his nose broken, besides being otherwise seriously hurt.

Master Thomas Burroughs, son of Assistant Postmaster T. F. Burroughs, while carrying beef in the store of Messrs. McBurney & Son, this morning, cut off the ends of two of his fingers and badly cut another. His injuries were dressed by Dr. O'Brien.

Mr. George Goodhand, while riding down a hill on the farm of his sister, Mrs. C. F. M. Johnston, in Fairfax county below this city, yesterday evening, was thrown from his horse and badly hurt. His throat was cut by his fall and he lost a large quantity of blood. His injuries were attended to by Dr. Powell.

ANNIVERSARY.—A meeting of the Friendship Fire Company was held last night at which the committee having in charge the improvements to the engine house reported that all of such improvements had been completed except the painting which would be done hereafter. It was decided to celebrate the 14th anniversary of the organization of the company by a torchlight procession, and on that occasion the old apparatus will be taken from the old Sun engine house, where it has been for sometime past, back to the company's house. A committee was appointed to invite the other fire companies to take part in the celebration. The anniversary, August 5th, falling on Sunday, Monday night, August 6th, was agreed upon as the time for the celebration.

FIRE.—Shortly before two o'clock this evening fire was discovered in the grocery and feed store of Messrs. A. C. Harmon & Co., at the corner of Prince and Royal streets. An alarm was at once sounded which was promptly responded to by the department, and the flames were extinguished before the building had been much damaged, but not till the contents of the cellar had been somewhat injured by the flames and water. The cause of the fire is not known, but it originated near the cellar door and did not reach far back into the cellar. The building, which as before stated was not much damaged, was insured in the Fairfax Mutual Company and the contents in companies for which Messrs. Janney & Warfield are the agents.

POLICE REPORT.—Last night was clear and mild with three prisoners at the station house.

The Mayor this morning disposed of the following cases:

Albert Lykes, arrested by officer Davis charged with stealing a watch, was turned over to the county authorities.

Celia Carter, colored, arrested by officer McCuen for disorderly conduct, was discharged, an infant child of hers having died while she was locked up.

Geo. Carroll, colored, arrested by officers Grady and Young for disorderly conduct, had his case continued.

ROBBERY.—The yard of Mr. George McBurney, on south Washington street, was entered last night and robbed of some articles of clothing and a market basket containing what Mr. McBurney had intended for his dinner to-day. The same thief entered several other yards in the neighborhood last night but was scared off before he had secured any booty. The man was seen and is described as a heavy set colored man, and a watch will be set for him. He has been operating in that immediate neighborhood for the past six months.

ASSIGNMENT.—Mr. A. W. Henderson, successor of the firm of Martin & Henderson, doing a grocery and liquor business on Cameron street, to-day made an assignment to Mr. J. B. Caton, for the benefit of his creditors. The liabilities are given at upwards of \$800 and the assets at about the same amount. Capt. Geo. A. Munbach, who is an endorser on notes to the amount of \$325 is made a preferred creditor for that amount.

RETURNED.—John Lockett, colored, who was recently put on the chain gang for stealing brasses, but who subsequently made his escape, returned to his old quarters to-day. He says he went North to look for his father, but became tired of tramping around and concluded that he would come back where he was better acquainted.

PERSONAL.—Mr. Wm. Woolls, of New York, is on a visit to his old home in this city.

R. v. R. H. McKim, who, as stated yesterday, has been called to the rectorship of the Church of the Epiphany, of Washington, is now traveling in Europe.

Miss E. Lee Cockrell, of Fairfax is attending the Normal Institute, and is the guest of Mrs. James Cair, on south Washington street.

LOCAL BREVITIES.

An adjourned meeting of the City Council will be held to-night.

A marriage license was issued in Washington yesterday to Lewis Magruder and Maggie W. Gordon of this city.

The Bachelors Club has accepted an invitation extended by Mr. C. W. Ridley to visit Colonial Beach to-morrow.

The republicans of the Third ward met last night and organized a Harrison and Morton club. Similar clubs will be organized in all wards.

The funeral of the late George H. Markell took place this morning from his late residence on Lee street, and was attended by a large number of citizens.

Among the pensions issued yesterday was one to Mr. Amos T. Fisher, of this city, a Mexican survivor, who has just attained the age which entitles him to receive a pension.

The old frame building adjoining the GAZETTE office so long occupied by the late Mr. Harrison Jacobs as a barber's shop has been torn down and on the site Messrs. Marbury and Armstrong will erect a brick office. The building had been used at different times for the past thirty years as a lawyer's office and barber's shop, having been occupied by the late George W. Brent and I. Louis Kizer, lawyers, at the breaking out of the war. When the GAZETTE office was burned by the federal soldiers in the early part of 1862, the building escaped destruction.

Among the amusing features at the Institute yesterday evening was during the singing lesson. One old gentleman could sound no note but "do," and his voice was heard above all the tumult sticking to his "do."

Fairfax is well represented at the Normal Institute.

Mr. G. E. Price will have for sale in market to-morrow some fine salt water tailors, mackerel, and butter fish.

The Babies Cry for It.

And the old folks laugh when they find that the pleasant California liquid fruit remedy, Syrup of Figs, is more easily taken and more beneficial in its action than bitter, nauseous medicines. It strengthens the Liver, Kidneys, Stomach, and Bowels, while it arouses them to a healthy activity. For sale by E. S. Leadbeater & Bro.

I have had nasal catarrh for ten years so bad that there were great sores in my nose, and one place was eaten through. I got Ely's Cream Balm. Two bottles did the work. My nose and head is well. I feel like another man.—C. S. McMillen, Sibley, Jackson Co., Mo.

Ely's Cream Balm is the most effective, convenient and agreeable catarrh remedy I ever used, and I have tried them all.—C. B. Cook, Henning, Lauderdale Co., Tenn.
